National foreword

This British Standard is the official English language version of EN ISO 6744-1:2004. It is identical with ISO 6744-1:1999.

The UK participation in its preparation was entrusted to Technical Committee STI/3, Paint media and related products, which has the responsibility to:

— aid enquirers to understand the text;

— present to the responsible international/European committee any enquiries on the interpretation, or proposals for change, and keep the UK interests informed;

— monitor related international and European developments and promulgate them in the UK.

A list of organizations represented on this committee can be obtained on request to its secretary.
