1. Introduction

1.1 CAA International (CAAi) would like to announce the availability of this training course title.

2. Scope

2.1 This 3 day(s) course intends to provide participants with the skills and knowledge required to develop, implement, manage and assess a Basic Safety Management System (SMS).

2.2 This course is suitable for Safety Managers, Quality Managers and Industry and Regulatory Personnel with a safety remit.

2.3 This course is based around the ICAO SMS Framework, European Aviation Safety Agency (EASA) OR.GEN 200 Rules and the UK CAA SMS Guidance Materials (GM).

By the end of this course delegates will, through presentations and group discussion, be able to demonstrate an understanding of the following:

- Safety management and how to apply relevant policy and principles into their working environment
- The value of an organisation having a SMS in place and the possible legal implications of not having one
- The importance of a positive safety culture
- The need for meaningful hazard identification and risk assessment to increase safety levels
