Co-operating organizations

The Non-ferrous Metals Industry Standards Committee, under whose supervision this British Standard was prepared, consists of representatives from the following Government departments, and scientific and industrial organizations:—

Admiralty
Aluminium Development Association
Aluminium Industry Council
Association of Bronze and Brass Founders
Association of Consulting Engineers, Incorporated
Association of Non-ferrous Metal Stockists
Brass and Copper Tube Association
Brass Wire Association
British Bronze and Brass Ingot Manufacturers' Association
British Electrical and Allied Manufacturers' Association
British Non-ferrous Metals Research Association*
Cable Makers' Association
Cold Rolled Brass and Copper Association
Copper Development Association
Crown Agents for Oversea Governments and Administrations
General Post Office
High Commission of India
High Conductivity Copper Association
Institute of British Foundrymen
Institute of Metals
Institution of Mechanical Engineers (Automobile Division)
Institution of Mining and Metallurgy
Institution of Structural Engineers
Lead Sheet and Pipe Manufacturers' Federation
Light Metal Founders' Association*
London Metal Exchange
Manufactured Copper Association
Ministry of Supply*
National Brassfoundry Association
Nickel Silver Association
Royal Institute of British Architects
Sheet Makers' Conference
Society of British Aircraft Constructors
Tin Research Institute
Zinc Development Association
Individual manufacturers*

The Government department and scientific and industrial organizations marked with an asterisk in the above list, together with the following, were directly represented on the sub-committee entrusted with the preparation of this British Standard:—

ALAR (Association of Light Alloy Refiners)
Department of the Government Chemist
Individual analysts

This British Standard, having been approved by the Non-ferrous Metals Industry Standards Committee and endorsed by the Chairman of the Engineering Divisional Council, was published under the authority of the General Council on 28 February 1955
