Committees responsible for this British Standard

The preparation of this British Standard was entrusted by the Refractory Products Standards Committee (RPM/-) to Technical Committee RPM/1, upon which the following bodies were represented:

British Ceramic Research Ltd.
British Steel Industry
Electricity Supply Industry in England and Wales
Engineering Equipment and Materials Users' Association
Refractories Association of Great Britain
Refractory Contractors' Association
Society of Glass Technology

This British Standard, having been prepared under the direction of the Refractory Products Standards Committee, was published under the authority of the Board of BSI and comes into effect on 30 January 1987
