National foreword

This British Standard has been prepared by Technical Committee SW/136 and is the English language version of EN 564 : 1997 *Mountaineering equipment — Accessory cord — Safety requirements and test methods*, published by the European Committee for Standardization (CEN). It supersedes BS EN 564 : 1993 which is withdrawn.

EN 564 was produced as a result of international discussions in which the United Kingdom took an active part.

Cross-references

Publication referred to	Corresponding British Standard
EN 919	BS EN 919 : 1995 *Fibre ropes for general service — Determination of certain physical and mechanical properties*
EN 20139	BS EN 20139 : 1992 *Textiles — Standard atmospheres for conditioning and testing*

Compliance with a British Standard does not of itself confer immunity from legal obligations.

Summary of pages

This document comprises a front cover, an inside front cover, pages i and ii, the EN title page, pages 2 to 6, an inside back cover and a back cover.
