Cooperating organizations

The Mechanical Engineering Standards Committee, under whose direction this British Standard was prepared, consists of representatives from the following Government departments and scientific and industrial organizations:

Associated Offices Technical Committee*
Association of Consulting Engineers*
Association of Hydraulic Equipment Manufacturers
Association of Mining, Electrical and Mechanical Engineers
British Compressed Air Society
British Electrical and Allied Manufacturers' Association (BEAMA)
British Gas Corporation
British Gear Manufacturers' Association
British Internal Combustion Engine Manufacturers' Association
British Pump Manufacturers' Association
British Steel Corporation
British Steel Industry
Chartered Institution of Building Services
Crown Agents for Oversea Governments and Administrations
Department of Industry (Mechanical Engineering)
Department of Industry (National Engineering Laboratory)
Department of the Environment
Department of Trade (Marine Division)
Engineering Equipment Users' Association*
Federation of Manufacturers of Construction Equipment and Cranes
Health and Safety Executive*
Institution of Gas Engineers
Institution of Mechanical Engineers
Institution of Plant Engineers
Institution of Production Engineers*
London Transport Executive
Machine Tool Trades Association
Ministry of Defence
National Coal Board*
Oil Companies Materials Association
Process Plant Association
Railway Industry Association of Great Britain
Society of Motor Manufacturers and Traders Limited
Telecommunication Engineering and Manufacturing Association (TEMA)
Water-tube Boilermakers' Association

The organizations marked with an asterisk in the above list, together with the following, were directly represented on the committee entrusted with the preparation of this British Standard:

Amalgamated Union of Engineering Workers
