National foreword

This British Standard is the UK implementation of EN 10277-3:2008. It supersedes BS EN 10277-3:1999 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee ISE/31, Wrought steels.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 30 April 2008
