National foreword

This British Standard has been prepared by Technical Committee ACE/6 and is the English language version of EN 2991:1996 *Aerospace series — Nickel-cadmium batteries of format E type* published by the European Committee for Standardization (CEN).

EN 2991 was produced as a result of international discussion in which the United Kingdom took an active part.

Cross-reference

Publication referred to	Corresponding British Standard
EN 2570:1996	BS EN 2570:1996 *Nickel-cadmium batteries — Technical specification*

A British Standard does not purport to include all the necessary provisions of a contract. Users of British Standards are responsible for their correct application.

Compliance with a British Standard does not of itself confer immunity from legal obligations.

Summary of pages

This document comprises a front cover, an inside front cover, pages i and ii, the EN title page, pages 2 to 6, an inside back cover and a back cover.

This standard has been updated (see copyright date) and may have had amendments incorporated. This will be indicated in the amendment table on the inside front cover.
