Date: 20 March 2017

Origin: National

Latest date for receipt of comments: 20 May 2017

Project No. 2017/00051

Responsible committee: ACE/61 Metallic materials for aerospace purposes

Interested committees:

Title: Draft BS 3L 500 + A1 Procedure for inspection, testing and acceptance of wrought magnesium base alloys

Please notify the secretary if you are aware of any keywords that might assist in classifying or identifying the standard or if the content of this standard

- i) has any issues related to 3rd party IPR, patent or copyright
- ii) affects other national standard(s)
- iii) requires additional national guidance or information

**WARNING: THIS IS A DRAFT AND MUST NOT BE REGARDED OR USED AS A BRITISH STANDARD.
THIS DRAFT IS NOT CURRENT BEYOND 20 May 2017**

This draft is issued to allow comments from interested parties; all comments will be given consideration prior to publication. No acknowledgement will normally be sent. **See overleaf for information on the submission of comments.**

No copying is allowed, in any form, without prior written permission from BSI except as permitted under the Copyright, Designs and Patent Act 1988 or for circulation within a nominating organization for briefing purposes. Electronic circulation is limited to dissemination by e-mail within such an organization by committee members.

Further copies of this draft may be purchased from BSI Shop <http://shop.bsigroup.com> or from BSI Customer Services, Tel: +44(0) 20 8996 9001 or email cservices@bsigroup.com. British, International and foreign standards are also available from BSI Customer Services.

Information on the co-operating organizations represented on the committees referenced above may be obtained from <http://standardsdevelopment.bsigroup.com>

Introduction

Your comments on this draft are invited and will assist in the preparation of the resulting British Standard. If no comments are received to the contrary, this draft may be implemented unchanged as a British Standard.

Please note that this is a draft and not a typeset document. Editorial comments are welcome, but you are advised not to comment on detailed matters of typography and layout.

Submission of Comments

- The guidance given below is intended to ensure that all comments receive efficient and appropriate attention by the responsible BSI committee.
- This draft British Standard is available for review and comment online via the BSI British Standards Draft Review system (DRS) as <http://drafts.bsigroup.com>. Registration is free and takes less than a minute.
- Once you have registered on the DRS you will be able to review all current draft British Standards of national origin and submit comments on them. You will also be able to see the comments made on current draft standards by other interested parties.
- When submitting comments on a draft you will be asked to provide both a comment (i.e. justification for a change) and a proposed change.
- All comments will be checked by a moderator before they are made public on the site - the technical content of your comment will not be judged or modified; similarly your grammar or spelling will not be corrected. You will receive acknowledgement by email of all comments you submit via the DRS.
- A link to the DRS, or to a specific draft hosted by the system, may be distributed to other interested parties so that they may register and submit comments. It is not necessary to purchase a copy of the draft in order to review or comment on it; however, copies of this draft may be purchased from BSI, Tel: +44(0)20 8996 9001 or email cservices@bsigroup.com. Drafts and standards are also available in PDF format for immediate download from the BSI Shop: <http://www.bsigroup.com/shop>.

Proposed amendment to BS 3L 500

1 Subclause 3.24
