National foreword

This British Standard is the official English language version of EN ISO 13936-1:2004. It is identical with ISO 13936-1:2004. It supersedes BS 3320:1988 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee TCI/24, Textiles — Physical testing, which has the responsibility to:

— aid enquirers to understand the text;

— present to the responsible international/European committee any enquiries on the interpretation, or proposals for change, and keep the UK interests informed;

— monitor related international and European developments and promulgate them in the UK.

A list of organizations represented on this committee can be obtained on request to its secretary.
