National foreword

This British Standard has been prepared by Technical Committee CH/47, and is the English language version of EN ISO 8670-2:1996 *Ostomy collection bags — Part 2: Requirements and test methods,* published by the European Committee for Standardization (CEN). It supersedes BS 7127-101:1992 which is withdrawn.

A British Standard does not purport to include all the necessary provisions of a contract. Users of British Standards are responsible for their correct application.

Compliance with a British Standard does not of itself confer immunity from legal obligations.
