1 Introduction

1.1 Amendment 2 to Edition 2 of CAP 774 UK Flight Information Services will be published on 16 October 2014, to take effect on 13 November 2014.

2 Scope

2.1 This IN is applicable to all users of CAP 774 UK Flight Information Services.

3 Further Information

3.1 Amendment 2 to Edition 2 contains various amendments made in order to meet Regulation (EU) No. 923/2012 (Standardised European Rules of the Air) and to facilitate the replacement of Class F airspace within the UK Flight Information Regions (FIRs). Whilst Visual Flight Rules (VFR) flights do not require an Air Traffic Control (ATC) clearance to operate within Class E airspace, VFR users operating within that airspace and requiring Air Traffic Services (ATS) may request a Basic Service or a Traffic Service.

3.2 A number of editorial and administrative corrections have also been incorporated.
