Environmental Claim Validation Procedure (ECVP) for Zero Ozone Emissions from Air Cleaners, UL 2998

Third Edition, Dated July 10, 2020

Summary of Topics

This revision of the Environmental Claim Validation Procedure (ECVP) for Zero Ozone Emissions from Air Cleaners, UL ECVP 2998, dated November 13, 2020 includes revisions to Section 6.

Text that has been changed in any manner or impacted by UL's electronic publishing system is marked with a vertical line in the margin.

Subject to these terms and conditions and those in any other agreements between you and UL Environment, Underwriters Laboratories Inc. (UL) and/or their representatives, you are hereby granted a limited, non-exclusive, non-transferable license to use the ECVP solely for your internal, non-commercial business purposes. The ECVP is not being sold, and other than the limited license granted herein UL retains all rights, title and interest (including exclusive ownership) in the ECVP and all copyright therein. UL reserves the right to regain possession of the ECVP from you at any time. When no longer needed, you agree to destroy the ECVP (if in hardcopy form) or delete and purge the ECVP from your files (if in electronic form). No part of the ECVP may be reproduced, modified, stored in a retrieval system, or transmitted in any form by any means, whether electronic, mechanical photocopying, recording, or otherwise without prior written permission of UL or UL Environment. You further agree not to create any derivative works from the ECVP or remove or alter any copyright or other proprietary notices in the ECVP. The limited license to use the standard shall automatically terminate upon your breach of any of the terms and conditions herein or any other agreement between you and UL, UL Environment and/or their representatives.

UL Environment provides this ECVP “as is” without warranty of any kind, either expressed or implied, including but not limited to, the implied warranties of merchantability or fitness for any purpose.

In no event will UL Environment, UL or any of their affiliates be liable for any special, incidental, consequential, indirect or similar damages, including loss of profits, lost savings, loss of data, or any other damages arising out of the use of or the inability to use this ECVP, even if UL Environment or UL or their authorized representative has been advised of the possibility of such damage. In no event shall UL Environment’s or UL’s liability for any damage ever exceed the price paid for the license to use this ECVP, regardless of the form of the claim.

Users of the electronic versions of UL Environment’s ECVP for Sustainability agree to defend, indemnify, and hold UL Environment, ULI, their affiliates and each of their respective trustees, officers, employees, agents and representatives harmless from and against any loss, expense, liability, damage, claim, or judgment (including reasonable attorney’s fees) resulting from any error or deviation introduced while purchaser is storing an electronic ECVP on the purchaser’s computer system.
