Committees responsible for this British Standard

The preparation of this British Standard was entrusted to Technical Committee ACE/65, Inspection and testing requirements for non-metallic materials, upon which the following bodies were represented:

British Hydromechanics Research Group

British Plastics Federation

Society of British Aerospace Companies Ltd.

Co-opted members

The following bodies were also represented in the drafting of this standard, through panel ACE/65/-/64, Structural reinforced plastic:

Defence Science and Technology Laboratory

Co-opted members

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 10 June 2005
