Subject 219

October 5, 2018

SUMMARY OF TOPICS

The following is being proposed:

> ***1. Reaffirmation and Continuance of the 4th Edition of the Standard for Lined Fire Hose for Interior Standpipes, UL 219, as an American National Standard***

STP BALLOTS AND ALL COMMENTS DUE: November 19, 2018

UL's goal is to have no interest category comprise more than one-third of the STP membership balance. To improve the current balance for STP 219, UL is looking for participants in all interest categories. Definitions for these interest categories are available on the Standards STP Internet site:

http://ulstandards.ul.com/develop-standards/participation/interest-categories/

If you are interested in applying for STP 219 membership or are aware of potential candidates for this STP, please contact the STP Project Manager, Wilbert.fletcher@ul.com.

For your convenience in review, proposed additions to existing requirements are shown underlined and proposed deletions are shown ~~lined-out~~.

1. Reaffirmation and Continuance of the 4th Edition of the Standard for Lined Fire Hose for Interior Standpipes, UL 219, as an American National Standard

RATIONALE

Proposal submitted by: Diane Haithcock, STP Chair

UL is proposing to reaffirm the ANSI approval of UL 219. The status of ANSI approval is required to be updated by a positive, consensus reaffirmation of the standard by the STP if the standard has not been otherwise updated in the consensus process during the preceding five years.

UL is seeking only to maintain the currently published requirements in UL 219 as an American National Standard. There are no new revisions being proposed at this time. A reaffirmation is a Yes / No vote provided by the STP on whether or not to reaffirm the standard "as is." Any specific comment on the standard or proposed change to the standard should be submitted as a new Proposal Request in CSDS for future consideration.

PROPOSAL

UL is proposing to reaffirm the ANSI approval of the 4th Edition of the Standard for Lined Fire Hose for Interior Standpipes, UL 219. To view the current standard, click on the Standard under the "Quick View" menu on the right hand side of the work area screen in CSDS.
