Page ii Preface

Delete the fourth paragraph and *replace* with the following:

This Standard is technically equivalent to and been reproduced from the third edition of IEC 60335-2-14:1994, *Safety of household and similar electrical appliances, Part 2-14: Particular requirements for kitchen machines*, including its Amendments 1 and 2. It is to be used in conjunction with the latest edition of AS/NZS 3350.1, *Safety of household and similar electrical appliances, Part 1: General requirements* and its Amendments. It was established on the basis of AS/NZS 3350.1:1994.

This amendment forms part of the Standard on publication.

Page 12 Clause 20.2

Delete the last paragraph of Clause 20.2 and *replace* with the following:

*For blenders, **detachable parts**, except lids, are not removed. The test is carried out with a test probe similar to that of test probe B of IEC 61032 but having a circular stop plate with a diameter of 125 mm instead of the non-circular plate, the distance between the tip of the test finger and the stop plate being 100 mm.*

This amendment forms part of the Standard 2 years from publication.

Page 13 **Clause 20.104**

Delete the Clause 20.104 and replace with the following:

20.104 It shall not be possible to operate the cutting blades of blenders, other than **hand-held blenders**, when they are accessible.

Compliance is checked by the following test.

Detachable parts are removed. *It shall not be possible to operate the appliance if the cutting blades can be touched with the test finger specified for blenders in 20.2.*

This amendment forms part of the Standard 2 years from publication.
