Page 7 Clause 2.3.2

Delete 'Components and consumables', and replace with 'Housing only'.

Pages 8 and 9 Clause 2.4

- 1 Second line, *add* the following after 'system':
'or relevant components'.
- 2 *Insert* new Item (e) as follows:
(e) A table showing which classes of treatment the appliance will perform and which classes of treatment it will not perform (see Table 4.1)
- 3 Item (K)
Delete second sentence and *replace* with the following:
'It does not mean that water leaving the system is microbiologically safer to drink than the water entering the system.'

Page 9 Clause 2.5 (New)

Insert new Clause 2.5, as follows:

2.5 LABELLING

Each packaged appliance, system, component or consumable shall include a label showing test and treatment results.

NOTE: For an example of information to be included on a label, see Appendix C.

Page 11 Clause 4.2

Delete Clause 4.2, including Items (a) to (e) and first sentence following Item (e), and *replace* with the following:

'4.2 DESIGN

'Performance shall be verified by tests conducted in accordance with the protocols identified in AS/NZS 4348 (see also AS/NZS 4348).'
