Foreword

Replace the existing fifth paragraph by the following.

The text of IEC 60335-2-107 edition 2 amendment 2, prepared by IEC Technical Committee TC 116, was submitted to the Standards Australia/Standards New Zealand Combined Procedure (dual public comment and committee vote) for adoption as an amendment to the Standards Australia/Standards New Zealand joint standard AS/NZS 60335.2.107:2020.

This standard incorporates Amendment No. 1 (November 2023). The changes introduced by the amendments are indicated in the text by a marginal bar and amendment number against the part affected. Where an application date other than immediate is applicable to an amendment the date of application (DOA) and the date of withdrawal (DOW) if relevant, is indicated by the marginal bar against the part affected. Unless otherwise indicated, the application date of the changes introduced by Amendment No. 1 is 30 November 2025.

NOTE: Regulatory authorities that reference this Standard in regulation may apply these amendment requirements at a different time. Users of this Standard should consult with these authorities to confirm their requirements

This standard is an adoption with national modifications of the second edition of IEC 60335-2-107, *Household and similar electrical appliances – Safety – Part 2-107: Particular requirements for robotic battery powered electrical lawnmowers* including its amendment 1 (2020) and amendment 2 (2021). It has been varied as indicated to take account of Australian and New Zealand conditions.

In the existing tenth and eleventh paragraphs, replace Ed 2.1 by Ed 2.2.
