

Household and similar electrical appliances – Safety

Part 2.2: Particular requirements for vacuum cleaners and water-suction cleaning appliances

Amendment No. 1

Revised text amendment

Publishing and approval dates

Council of Standards Australia approval: 15 June 2023

New Zealand Standards Approval Board approval: 7 June 2023

Published: 30 June 2023

Summary

This amendment applies to the following elements:

- Committee representation
- Foreword
- National variations: clauses 19.1, 19.7, 30.2.

Amendment details

AS/NZS 60335.2.2:2020 is amended as follows. The amendments should be inserted in the locations as instructed. The amendment to the national variations takes effect 2 years from the date of publication.

Regulatory authorities that reference this standard in regulation may apply these requirements at a different time. Users of this standard should consult with these authorities to confirm their requirements.

Element	Instruction/new text
Committee representation	<i>Add:</i> Australian Retailers Association Better Regulation Division (Fair Trading, Safework NSW, TestSafe)
Foreword	<i>Replace Foreword with Preface.</i> <i>Add the following as a new fifth paragraph:</i> This standard incorporates Amendment No. 1 (June 2023). The changes introduced by the amendments are indicated in the text by a marginal bar and amendment number against the part affected. Where an application date other than immediate is applicable to an amendment, the date of application (DOA) and the date of withdrawal (DOW), if relevant, are indicated by a marginal bar against the part affected.

AS/NZS 60335.2.2:2020 Amd 1:2023

Element	Instruction/new text
---------	----------------------

National variations	In the Australian and New Zealand national variations, <i>replace AS/NZS 60335.1:2011 with AS/NZS 60335.1:2020.</i>
---------------------	--

19 Abnormal operation

19.1 *Add the following variation to the addition:*
