

American Water Works Association

ANSI/AWWA C550-90

(Revision of ANSI/AWWA C550-81)

AWWA STANDARD
FOR
PROTECTIVE EPOXY INTERIOR COATINGS
FOR VALVES AND HYDRANTS

Effective date: Sept. 1, 1990.

First edition approved by AWWA Board of Directors Jan. 25, 1981.

This edition approved Jan. 28, 1990.

Approved by American National Standards Institute, Inc., May 25, 1990.

AWWA Standard

This document is an American Water Works Association (AWWA) standard. It is not a specification. AWWA standards describe minimum requirements and do not contain all of the engineering and administrative information normally contained in specifications. The AWWA standards usually contain options that must be evaluated by the user of the standard. Until each optional feature is specified by the user, the product or service is not fully defined. AWWA publication of a standard does not constitute endorsement of any product or product type, nor does AWWA test, certify, or approve any product. The use of AWWA standards is entirely voluntary. AWWA standards are intended to represent a consensus of the water supply industry that the product described will provide satisfactory service. When AWWA revises or withdraws this standard, an official notice of action will be placed on the first page of the classified advertising section of *Journal AWWA*. The action becomes effective on the first day of the month following the month of *Journal AWWA* publication of the official notice.

American National Standard

An American National Standard implies a consensus of those substantially concerned with its scope and provisions. An American National Standard is intended as a guide to aid the manufacturer, the consumer, and the general public. The existence of an American National Standard does not in any respect preclude anyone, whether he has approved the standard or not, from manufacturing, marketing, purchasing, or using products, processes, or procedures not conforming to the standard. American National Standards are subject to periodic review, and users are cautioned to obtain the latest editions. Producers of goods made in conformity with an American National Standard are encouraged to state on their own responsibility in advertising and promotional materials or on tags or labels that the goods are produced in conformity with particular American National Standards.

CAUTION NOTICE: The American National Standards Institute (ANSI) approval date on the front cover of this standard indicates completion of the ANSI approval process. This American National Standard may be revised or withdrawn at any time. ANSI procedures require that action be taken to reaffirm, revise, or withdraw this standard no later than five years from the date of publication. Purchasers of American National Standards may receive current information on all standards by calling or writing the American National Standards Institute, Inc., 11 West 42nd St., New York, NY 10036; (212) 642-4900.

Committee Personnel

The AWWA Standards Committee on Protective Interior Coatings for Valves and Hydrants, which reviewed and approved this standard, had the following personnel at the time of approval:

Bruce H. Ellis, *Chairman*

Consumer Members

R.L. Claudy, Orlando Utilities Commission, Orlando, Fla.	(AWWA)
William Ellgas,* East Bay Municipal Utility District, Oakland, Calif.	(AWWA)
B.H. Ellis, Denver Water Department, Denver, Colo.	(AWWA)
S.F. Gorden, Portland Water District, Portland, Maine	(NEWWA)
Cassandra Hamvas, Los Angeles Department of Water and Power, Los Angeles, Calif.	(AWWA)
Ray Lee, East Bay Municipal Utility District, Oakland, Calif.	(AWWA)
Wayne Risner, Metropolitan Water District of Southern California, La Verne, Calif.	(AWWA)
D.A. Wright, Fairfax County Water Authority, Merrifield, Va.	(AWWA)

General Interest Members

E.E. Baruth,† Standards Engineer Liaison, AWWA, Denver, Colo.	(AWWA)
K.M. Bell, Underwriters Laboratories, Inc., Northbrook, Ill.	(AWWA)
F.C. Campbell Jr.,† Council Liaison, Louisville Water Company, Louisville, Ky.	(AWWA)
Ellis Gilliland, US Army Engineering Division, Huntsville, Ala.	(US Army)
Joseph Minneci, Southern California Water Company, Los Angeles, Calif.	(AWWA)
B.G. Mui, Alvord, Burdick & Howson, Chicago, Ill.	(AWWA)
D.D. Naomi, Edmond E. Dupre Jr., Inc., Lafayette, La.	(AWWA)
Walter Singleton, Walter T. Singleton Corporation, Phoenix, Ariz.	(AWWA)
R.R. Skabo, CH2M Hill, Denver, Colo.	(AWWA)
Harry Uyeda, US Bureau of Reclamation, Denver, Colo.	(AWWA)
S.L. Zeid, Malcolm Pirnie, Inc., Columbus, Ohio	(AWWA)

Producer Members

Jerry Bottenfield, Clow Corporation, Oskaloosa, Iowa	(AWWA)
G.L. Bouc, Mueller Water & Gas Products Division, Decatur, Ill.	(AWWA)

*Alternate

†Liaison, nonvoting

Terry Brown, Morton Chemical Powder Coatings Group, Reading, Pa.	(AWWA)
L.C. Carl, Kennedy Valve, Elmira, N.Y.	(AWWA)
Roland Larkin, American Darling Valve, Birmingham, Ala.	(AWWA)
P.I. McGrath, United States Pipe & Foundry Company, Birmingham, Ala.	(AWWA)
Thomas Mettler, Waterous Company, South Saint Paul, Minn.	(AWWA)
M.P. Yoke, M & H Valve Company, Anniston, Ala.	(AWWA)
