THIS BRITISH STANDARD, having been approved by the Documentation Standards Committee, was published under the authority of the Executive Board on 14 February, 1969.

SBN: 580 00466 X

In order to keep abreast of progress, British Standards are subject to periodical review. Suggestions for improvements will be recorded and in due course brought to the notice of the committees charged with the revision of the standards to which they refer.

A complete list of British Standards, numbering over 5000, fully indexed and with a note of the contents of each, will be found in the Institution's Yearbook. The BS Yearbook may be consulted in many public libraries and similar institutions.

Attention is drawn to the following British Standards:

BS 1000A. Universal Decimal Classification: Abridged English Edition.  
BS 1000C. Guide to the Universal Decimal Classification (UDC).
