

Specification for

Single point cutting tools —

Part 1: Shank sections

Co-operating organizations

The Mechanical Engineering Industry Standards Committee, under whose supervision this British Standard was prepared, consists of representatives from the following Government departments and scientific and industrial organizations:

Associated Offices' Technical Committee	Gas Council
Association of Consulting Engineers	Institution of Civil Engineers
Association of Mining Electrical and Mechanical Engineers	Institution of Gas Engineers
Board of Trade	Institution of Heating and Ventilating Engineers
British Chemical Plant Manufacturers' Association	Institution of Mechanical Engineers
British Compressed Air Society	Institution of Mechanical Engineers (Automobile Division)*
British Electrical and Allied Manufacturers' Association*	Institution of Production Engineers*
British Gear Manufacturers' Association	Locomotive and Allied Manufacturers' Association of Great Britain
British Internal Combustion Engine Manufacturers' Association	London Transport Executive
British Mechanical Engineering Confederation	Machine Tool Trades Association*
British Pump Manufacturers' Association	Ministry of Defence, Army Department*
British Steel Industry	Ministry of Public Building and Works
Crown Agents for Oversea Governments and Administrations	Ministry of Technology
Department of Employment and Productivity (H.M. Factory Inspectorate)	Ministry of Technology — National Engineering Laboratory*
Electricity Council, the Central Electricity Generating Board and the Area Boards in England and Wales	Ministry of Transport
Engineering Equipment Users' Association	National Coal Board
	National Physical Laboratory (Ministry of Technology)
	Royal Institute of British Architects

The Government department and scientific and industrial organizations marked with an asterisk in the above list, together with the following, were directly represented on the committee entrusted with the preparation of this British Standard:

British Hard Metal Association	Welded Tool Manufacturers' Association
British Railways Board	
National Federation of Engineers' Tool Manufacturers	

This British Standard, having been approved by the Mechanical Engineering Industry Standards Committee, was published under the authority of the Executive Board on 10 July 1970
