

Specification for Gin blocks

Co-operating organizations

The Mechanical Engineering Industry Standards Committee, under whose supervision this British Standard was prepared, consists of representatives from the following Government departments and scientific and industrial organizations:

Associated Offices' Technical Committee*	Institution of Gas Engineers
Association of Consulting Engineers	Institution of Heating and Ventilating Engineers
Association of Mining Electrical and Mechanical Engineers	Institution of Mechanical Engineers
Board of Trade	Institution of Mechanical Engineers (Automobile Division)
British Chemical Plant Manufacturers' Association	Institution of Plant Engineers
British Compressed Air Society	Institution of Production Engineers
British Electrical and Allied Manufacturers' Association	Locomotive and Allied Manufacturers' Association of Great Britain
British Gear Manufacturers' Association	London Transport Executive
British Internal Combustion Engine Manufacturers' Association	Machine Tool Trades Association
British Mechanical Engineering Confederation	Ministry of Defence*
British Pump Manufacturers' Association	Ministry of Defence, Army Department
British Steel Industry	Ministry of Public Building and Works
Crown Agents for Oversea Governments and Administrations	Ministry of Technology
Department of Employment and Productivity (H.M. Factory Inspectorate)	Ministry of Technology — National Engineering Laboratory
Electricity Council, the Central Electricity Generating Board and the Area Boards in England and Wales	Ministry of Transport
Engineering Equipment Users' Association*	National Coal Board*
Gas Council	National Physical Laboratory (Ministry of Technology)
Institution of Civil Engineers	Royal Institute of British Architects
	Telecommunication Engineering and Manufacturing Association
	Water-Tube Boiler Makers' Association

The Government department and scientific and industrial organizations marked with an asterisk in the above list, together with the following, were directly represented on the committee entrusted with the preparation of this British Standard.

British Constructional Steelwork Association	London Construction Safety Group
Chain Testers' Association of Great Britain	Machine Made Chain Manufacturers' Association
Dock and Harbour Authorities Association	National Association of Steel Stockholders
Federation of Civil Engineering Contractors	National Federation of Building Trades Employees
Federation of Wire Rope Manufacturers of Great Britain	North East Coast Institution of Engineers and Shipbuilders
Honourable Company of Master Mariners	Individual experts
Lifting Equipment Manufacturers' Association	
Lloyd's Register of Shipping	

This British Standard, having been approved by the Mechanical Engineering Industry Standards Committee, was published under the authority of the Executive Board on 23 April 1971
