Committees responsible for this British Standard

The preparation of this British Standard was entrusted by Technical Committee RPI/1, Refractory products and materials, to Subcommittee RPI/1/14, Chemical analysis of refractories and technical ceramics, upon which the following bodies were represented:

- British Ceramic Research Ltd.
- British Industrial Ceramic Manufacturers' Association
- Bureau of Analysed Samples
- China Clay Association
- Ministry of Defence
- Refractories' Association of Great Britain
- UK Steel Association

This British Standard, having been prepared under the direction of the Sector Board for Materials and Chemicals, was published under the authority of the Standards Board and comes into effect on 15 November 1998
