Committees responsible for this British Standard

The preparation of this British Standard was entrusted by Technical Committee MTE/15, Hand tools, to Subcommittee MTE/15/13, Spanners, screwdrivers, pliers and nippers, upon which the following bodies were represented:

- Co opted Members
- Consumer Policy Committee of BSI
- Federation of British Hand Tool Manufacturers
- Ministry of Defence

This British Standard, having been prepared under the direction of the Engineering Sector Board, was published under the authority of the Standards Board and comes into effect on 15 June 1998
