The Iron and Steel Industry Standards Committee, under whose supervision this British Standard was prepared, consists of representatives from the following Government departments and scientific and industrial organizations:

British Cast Iron Research Association	Institution of Production Engineers
British Constructional Steelwork Association	Institution of Structural Engineers
British Ironfounders' Association	Lloyd's Register of Shipping
British Mechanical Engineering Confederation	Ministry of Defence
British Steel Industry*	Ministry of Defence, Army Department
Council of Iron Producers	National Association of Drop Forgers and Stampers
Council of Ironfoundry Associations	National Physical Laboratory (Department of Trade and Industry)
Department of Employment	Oil Companies Materials Association
Department of Trade and Industry (Marine Division)	Process Plant Association
Engineering Equipment Users' Association	Royal Institute of British Architects
Federation of Civil Engineering Contractors	Shipbuilders and Repairers National Association
Greater London Council	Society of Motor Manufacturers and Traders Limited*
Institute of British Foundrymen	Stainless Steel Development Association
Institute of Iron and Steel Wire Manufacturers*	Tin Research Institute
Institute of Marine Engineers	
Institution of Mechanical Engineers (Automobile Division)	

The organizations marked with an asterisk in the above list, together with the following, were directly represented on the committee entrusted with the preparation of this British Standard:

Alloy and Stainless Steel Conference	Fencing Contractors' Association
British Bolt, Nut, Screw and Rivet Federation	Institution of Quality Assurance
British Wire Netting Association	Spring Research Association
Cycle and Motor Cycle Association	Society of Chainlink Fencing Manufacturers

This British Standard having been approved by the Iron and Steel Industry Standards Committee, was published under the authority of the Executive Board on 30 April 1973
