The Colliery Requisites Industry Standards Committee, under whose supervision this British Standard was prepared, consists of representatives from the following Government departments and scientific and industrial organizations:—

- Association of Mining Electrical and Mechanical Engineers*
- British Electrical and Allied Manufacturers’ Association*
- British Iron and Steel Federation
- Cable Makers’ Association
- Institution of Electrical Engineers
- Institution of Mechanical Engineers
- Institution of Mining Engineers
- Ministry of Fuel and Power*
- National Association of Colliery Managers
- National Coal Board*

The Government departments and scientific and industrial organizations marked with an asterisk in the above list were directly represented on the committees entrusted with the preparation of this British Standard.

This British Standard, having been approved by the Colliery Requisites Industry Standards Committee and endorsed by the Chairman of the Engineering Divisional Council, was published under the authority of the General Council on 25 November 1954
