

Specification for

X-ray protective gloves for medical diagnostic purposes up to 150 kV peak

Co-operating organizations

The Electrical Industry Standards Committee, under whose supervision this British Standard was prepared, consists of representatives from the following Government departments and scientific and industrial organizations:—

Admiralty*	Electrical Contractors Association Inc.
Air Ministry*	Electrical Contractors Association of Scotland
Association of Consulting Engineers (Inc.)	Engineering Equipment Users' Association
Association of Supervising Electrical Engineers	General Post Office
British Electrical and Allied Industries Research Association	Institution of Electrical Engineers
British Electrical and Allied Manufacturers' Association*	Ministry of Fuel and Power
British Electrical Development Association	Ministry of Labour and National Service (Factory Dept.)
British Electricity Authority and Area Boards	Ministry of Supply*
British Railways, British Transport Commission	Ministry of Works*
Cable Makers' Association	National Physical Laboratory*
Crown Agents for Oversea Governments and Administrations	North of Scotland Hydro-Electric Board
Electric Lamp Manufacturers' Association	Oil Companies Materials Committee
Electric Light Fittings Association	Public Transport Association Inc.
	Radio Industry Council
	War Office*

The Government departments and scientific and industrial organizations marked with an asterisk in the above list, together with the following, were directly represented on the Committees entrusted with the preparation of this British Standard:—

British Institute of Radiology	Hospital Physicists Association
British X-Ray and Radium Protection Committee	Institute of Physics
Electro-Medical Trades Association	Medical Research Council
Faculty of Radiologists	Ministry of Health
Federation of British Rubber Manufacturers' Associations	National Radium Commission
	Rubber Surgical Equipment Manufacturers' Association

This British Standard, having been approved by the Electrical Industry Standards Committee and endorsed by the Chairman of the Engineering Divisional Council, was published under the authority of the General Council on 31 March 1955
