Cooperating organizations

The European Committee for Standardization, under whose direction this European Standard was prepared, comprises the national standards organizations of the following Western European countries:

Austria	Oesterreichisches Normungsinstitut
Belgium	Institut Belge de Normalisation
Denmark	Dansk Standardiseringsraad
Finland	Suomen Standardisoimisliitto, r.y.
France	Association Française de Normalisation
Germany	DIN Deutsches Institut für Normung
Ireland	Institute for Industrial Research and Standards
Italy	Ente Nazionale Italiano di Unificazione
Netherlands	Nederlands Normalisatie-instituut
Norway	Norges Standardiseringsforbund
Portugal	Repartição de Normalização
Spain	Instituto Nacional de Racionalización y Normalización
Sweden	Sveriges Standardiseringskommission
Switzerland	Association Suisse de Normalisation
United Kingdom	British Standards Institution

A British Standard does not purport to include all the necessary provisions of a contract. Users of British Standards are responsible for their correct application.

Compliance with a British Standard does not of itself confer immunity from legal obligations.

Summary of pages

This document comprises a front cover, an inside front cover, pages i and ii, the EN title page, pages 2 to 10, an inside back cover and a back cover.

This standard has been updated (see copyright date) and may have had amendments incorporated. This will be indicated in the amendment table on the inside front cover.

This British Standard was published under the authority of the Executive Board on 31 August 1977

Inside back cover	

UDC 678.5/8:677.521:539.42

Key words: Plastics, glass reinforced plastics, thermoplastic resins, thermosetting resins, tests, mechanical tests, tension tests, tensile strength, elongation at break, modulus of elasticity, tensile stress, test equipment, test specimens, testing conditions

English version

Glass reinforced plastics. Determination of tensile properties

Matières plastiques renforcées au verre textile. Glasfaserverstärkte Kunststoffe.
Détermination des caractéristiques en traction Zugversuch

This European Standard was accepted by CEN on 1977-03-31. The CEN members are bound to adhere to the CEN Internal Regulations which specify under which conditions this European Standard has to be given, without any alteration, the status of a national standard.

Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the CEN Central Secretariat or to any CEN member.

This European Standard exists in three versions (English, French, German) recognized by CEN as equivalent. National versions in other languages rank as translations and in case of doubt shall be checked against one of the recognized versions.

CEN members are the national standards organizations of Austria, Belgium, Denmark, Finland, France, Germany, Ireland, Italy, Netherlands, Norway, Portugal, Spain, Sweden, Switzerland and United Kingdom.
