

Specification for

Brass wire for springs —

2/1 Brass

Co-operating organizations

The Non-ferrous Metals Industry Standards Committee, under whose supervision this British Standard was prepared, consists of representatives from the following Government departments and scientific and industrial organizations:

- Admiralty
- Aluminium Federation
- Association of Bronze and Brass Founders
- Association of Consulting Engineers, Incorporated
- British Bronze and Brass Ingot Manufacturers' Association
- British Electrical and Allied Manufacturers' Association*
- British Lead Manufacturers' Association
- British Non-ferrous Metals Federation*
- British Non-ferrous Metals Research Association*
- Copper Development Association*
- Crown Agents for Oversea Governments and Administrations
- Electric Cable Makers' Federation
- High Commission of India*
- High Conductivity Copper Association
- Institute of British Foundrymen
- Institute of Metals
- Institution of Mechanical Engineers (Automobile Division)
- Institution of Mining and Metallurgy
- Institution of Structural Engineers
- Lead Development Association
- Light Metal Founders' Association
- London Metal Exchange
- Magnesium Industry Council
- Ministry of Aviation*
- Ministry of Transport
- National Brassfoundry Association
- Non-ferrous metal stockists*
- Post Office*
- Royal Institute of British Architects
- Society of British Aircraft Constructors
- Society of Motor Manufacturers and Traders Ltd.*
- Tin Research Institute
- War Office*
- Zinc Development Association
- Individual manufacturers

The Government departments and scientific and industrial organizations marked with an asterisk in the above list, together with the following, were directly represented on the committee entrusted with the preparation of this British Standard:

- British Clock and Watch Manufacturers' Association
- Cable Makers Association
- Electronic Engineering Association
- Institute of Sheet Metal Engineering
- National Physical Laboratory (D.S.I.R.)
- Spring Manufacturers' Research Association
- Telephone Manufacturers Technical Development Committee
- Individual manufacturers

Amendments issued since publication

Amd. No.	Date	Comments

This British Standard, having been approved by the Non-ferrous Metals Industry Standards Committee and endorsed by the Chairman of the Engineering Divisional Council, was published under the authority of the General Council on 4 November 1963
