

Specification for

Steel plates for use in the manufacture of galvanizing pots

Co-operating organizations

The Iron and Steel Industry Standards Committee, under whose supervision this British Standard was prepared, consists of representatives from the following Government departments and scientific and industrial organizations:—

Admiralty*	Institute of Marine Engineers*
Alloy Steels Association	Institution of Civil Engineers
British Cast Iron Research Association	Institution of Mechanical Engineers
British Constructional Steelwork Association	(Automobile Division)
British Electrical and Allied Manufacturers' Association*	Institution of Structural Engineers
British Engineers' Association	Iron and Steel Institute
British Iron and Steel Federation*	Joint Iron Council
British Ironfounders' Association	Lloyd's Register of Shipping
British Railways, The British Transport Commission*	Ministry of Labour and National Service (Factory Department)
British Steel Castings Research Association*	Ministry of Supply*
British Steel Founders' Association	National Association of Drop Forgers and Stampers*
Council of Ironfoundry Associations	National Ironfounding Employers' Federation
Crown Agents for Oversea Governments and Administrations	National Physical Laboratory (D.S.I.R.)
Engineering Equipment Users' Association	Oil Companies Materials Committee
Federation of Civil Engineering Contractors	Royal Institute of British Architects
Institute of British Foundrymen	Shipbuilding Employers' Federation
Institute of Iron and Steel Wire Manufacturers	Society of British Aircraft Constructors
	Society of Motor Manufacturers and Traders Ltd.*

The Government departments and scientific and industrial organizations marked with an asterisk in the above list, together with the following, were directly represented on the committee entrusted with the preparation of this British Standard:—

British Bolt, Nut, Screw and Rivet Federation	Ministry of Transport and Civil Aviation
Coil Spring Federation Research Organization	National Coal Board
Federation of Manufacturers of Contractors' Plant	Railway Carriage and Wagon Building Association
Institution of Engineering Inspection	Stainless Steel Fabricators' Association

This British Standard, having been approved by the Iron and Steel Industry Standards Committee and endorsed by the Chairman of the Engineering Divisional Council, was published under the authority of the General Council on 29 May 1957
