Committees responsible

The preparation of this British Standard was entrusted by the Aerospace Standards Committee (ACE/-) to Technical Committee ACE/30, upon which the following bodies were represented:

- Civil Aviation Authority (Airworthiness Division)
- Ministry of Defence
- Society of British Aerospace Companies Limited

This British Standard, having been prepared under the direction of the Aerospace Standards Committee, was published under the authority of the Executive Board and comes into effect on 29 February 1988
