Committees responsible for this British Standard

The preparation of this British Standard was entrusted by the Aerospace Standards Policy Committee (ACE/-) to Technical Committee ACE/38, upon which the following bodies were represented:

- British Airways
- British Compressed Gases Association
- Civil Aviation Authority (Airworthiness Division)
- Ministry of Defence
- Society of British Aerospace Companies Limited
- Society of British Gas Industries

This British Standard, having been prepared under the direction of the Aerospace Standards Policy Committee, was published under the authority of the Board of BSI and comes into effect on 31 May 1989

© BSI 11-1999

First published March 1972
First revision May 1989
