# Cooperating organizations

The Environment and Pollution Standards Committee, under whose direction this British Standard was prepared, consists of representatives from the following:

|                                                                               |                                                                                      |
|-------------------------------------------------------------------------------|--------------------------------------------------------------------------------------|
| Association of County Councils                                                | Department of the Environment (Water Engineering Division including Water Data Unit) |
| British Gas Corporation                                                       | Electricity Supply Industry in England and Wales                                     |
| British Industrial Measuring and Control Apparatus Manufacturers' Association | Engineering Equipment Users' Association*                                            |
| British Railways Board                                                        | Greater London Council                                                               |
| British Steel Industry                                                        | Health and Safety Executive*                                                         |
| Chemical Industries Association                                               | Institute of Petroleum                                                               |
| Chemical Society                                                              | Medical Research Council*                                                            |
| Committee for Environmental Conservation                                      | Ministry of Agriculture, Fisheries and Food                                          |
| Confederation of British Industry                                             | National Coal Board*                                                                 |
| Consumer Standards Advisory Committee of BSI                                  | National Consumers' Council                                                          |
| Council of Engineering Institutions                                           | National Water Council                                                               |
| Department of Energy (Energy Technology)                                      | Scottish Office                                                                      |
| Department of Industry (Warren Spring Laboratory)                             | Society of Chemical Industry                                                         |
|                                                                               | Trades Union Congress                                                                |

The organizations marked with an asterisk in the above list, together with the following, were directly represented on the Technical Committee entrusted with the preparation of this British Standard:

|                                                       |                                                                  |
|-------------------------------------------------------|------------------------------------------------------------------|
