

Sizes of refractory bricks —

Part 4: Specification for bricks for electric arc furnace roofs

[ISO title: Refractory bricks — Dimensions — Part 4: Dome bricks for electric arc furnace roofs]

UDC 666.76 – 431:66.042.87.043.1:621.365.2

Committees responsible for this British Standard

The preparation of this British Standard was entrusted by the Refractory Products Standards Committee (RPM/-) to Technical Committee RPM/4, upon which the following bodies were represented:

- British Ceramic Research Association
- British Gas Corporation
- British Metallurgical Plant Constructors' Association
- British Steel Industry
- Cement Makers' Federation
- Coke Oven Managers' Association
- Glass Manufacturers' Federation
- Institute of Refractories Engineers
- Refractories Association of Great Britain
- Society of Glass Technology
- Society of Industrial Furnace Engineers
- Water-tube Boilermakers' Association

This British Standard, having been prepared under the direction of the Refractory Products Standards Committee, was published under the authority of the Board of BSI and comes into effect on 29 March 1985
