

Sizes of refractory bricks —

Part 7: Specification for basic bricks for steel making

Confirmed
December 2011

Committees responsible for this British Standard

The preparation of this British Standard was entrusted by the Refractory Products Standards Policy Committee (RPM/-) to Technical Committee RPM/4, upon which the following bodies were represented:

- British Cement Association
- British Ceramic Research Ltd.
- British Metallurgical Plant Constructors' Association
- British Steel Industry
- Refractories Association of Great Britain
- Society of Glass Technology

This British Standard, having been prepared under the direction of the Refractory Products Standards Policy Committee, was published under the authority of the Standards Board and comes into effect on 31 March 1992
