

Refrigerant compressors —

Part 2: Method for presentation of performance data

Committees responsible for this British Standard

The preparation of this British Standard was entrusted by the Refrigeration, Heating and Air Conditioning Standards Policy Committee (RHE/-) to Technical Committee RHE/4, upon which the following bodies were represented:

- British Refrigeration Association
- Chartered Institution of Building Services Engineers
- Department of the Environment (Property Services Agency)
- Heating and Ventilating Contractors' Association
- Institute of Refrigeration
- Institution of Mechanical Engineers
- Polytechnic of the South Bank
- Process Plant Association
- Retail Consortium
- Rotating Electrical Machines Association (BEAMA Ltd.)

This British Standard, having been prepared under the direction of the Refrigeration, Heating and Air Conditioning Standards Policy Committee, was published under the authority of the Board of BSI and comes into effect on 31 August 1990
