

Metric tapered roller bearings —

Part 4: Specification for designation system

Committees responsible for this British Standard

The preparation of this British Standard was entrusted by the Machinery and Components Standards Policy Committee (MCE/-) to Technical Committee MCE/7, upon which the following bodies were represented:

- Ball and Roller Bearing Manufacturers' Association
- Ministry of Defence
- Society of British Aerospace Companies Ltd.

This British Standard, having been prepared under the direction of the Machinery and Components Standards Policy Committee, was published under the authority of the Standards Board and comes into effect on 15 July 1992
