

Specification for

Thermally toughened glass panels for use in domestic appliances

Committees responsible for this British Standard

The preparation of this British Standard was entrusted by the Consumer and Contract Goods Standards Policy Committee (CCM/–) to Technical Committee CCM/33, upon which the following bodies were represented:

- Association of Manufacturers of Domestic Electrical Appliances
- British Association for Accident and Emergency Medicine
- British Electrotechnical Approvals Board
- British Glass Manufacturers Confederation
- City University
- Consumer Policy Committee of BSI
- Consumers’ Association
- Department of Trade and Industry (Consumer Safety Unit, CA Division)
- Flat Glass Manufacturers’ Association
- Gas Consumers Council
- Institute of Trading Standards Administration
- Microwave Association
- Royal Society for the Prevention of Accidents
- Society of Glass Technology

This British Standard, having been prepared under the direction of the Consumer and Contract Goods Standards Policy Committee, was published under the authority of the Standards Board and comes into effect on 15 April 1993
