Committees responsible for this British Standard

The preparation of this British Standard was entrusted by the Building Services Standards Committee (SEB/-) to Technical Committee SEB/40, upon which the following bodies were represented:

- Association of Metropolitan Authorities
- British Gas Corporation
- Chartered Institution of Building Services Engineers
- Department of Health and Social Security
- Electrical Installation Equipment Manufacturers Association (BEAMA Ltd.)
- Institute of Energy
- Institute of Incineration Engineers
- Institution of Wastes Management
- Institution of Chemical Engineers
- Institution of Environmental Health Officers
- Institution of Gas Engineers
- Institution of Mechanical Engineers
- Institution of Public Health Engineers
- Liquefied Petroleum Gas Industry Technical Association (UK)
- London Boroughs Association
- National Health Services
- Refractory Contractors Association
- Regional Hospital Boards Engineers Association

This British Standard, having been prepared under the direction of the Building Services Standards Committee, was published under the authority of the Board of BSI and comes into effect on 31 July 1987

© BSI 06-1999
First published, as BS 3316, December 1960
First revision October 1973
Second revision, in Parts, July 1987.
