

Method for

Determination of slippage resistance of yarns in woven fabrics: seam method

ICS 59.080.30

Committees responsible for this British Standard

The preparation of this British Standard was entrusted by the Textiles and Clothing Standards Committee (TCM/-) to Technical Committee TCM/24, upon which the following bodies were represented:

- Association of Consulting Scientists
- British Polyolefin Textiles Association
- British Textile Employers' Association
- Confederation of British Wool Textiles Limited
- International Wool Secretariat
- Man-made Fibres Producers' Committee
- Ministry of Defence
- SATRA Footwear Technology Centre
- Soap and Detergent Industry Association
- Society of Motor Manufacturers and Traders Limited
- Textile Institute
- Textile Research Council

This British Standard, having been prepared under the direction of the Textiles and Clothing Standards Committee, was published under the authority of the Board of BSI and comes into effect on 31 August 1988

© BSI 03-2001

First published December 1960
First revision February 1970
Second revision August 1988
