Committees responsible for this British Standard

The preparation of this British Standard was entrusted by the Plastics Standards Committee (PLM/-) to Technical Committee PLM/39, upon which the following bodies were represented:

- BEAMA Ltd.
- British Gas Corporation
- British Plastics Federation
- British Telecommunications plc
- ERA Technology Ltd.
- Electrical and Electronic Insulation Association (BEAMA Ltd.)
- Engineering Equipment and Materials Users' Association
- Greater London Council
- Ministry of Defence
- Process Plant Association
- Royal Institute of British Architects
- Ship and Boat Builders' National Federation
- Society of British Aerospace Companies Limited
- Society of Motor Manufacturers and Traders Limited
- Standards Association of Australia (British Committees)

The following body was also represented in the drafting of the standard, through subcommittees and panels:

Imperial College of Science and Technology

This British Standard, having been prepared under the direction of the Plastics Standards Committee, was published under the authority of the Board of BSI and comes into effect on 30 January 1987

© BSI 04-1999

First published September 1961
First revision March 1970
Second revision January 1987
