Cooperating organizations

The Rubber Industry Standards Committee, under whose supervision this British Standard was prepared, consists of representatives from the following Government departments and scientific and industrial organizations:

- British Association of Synthetic Rubber Manufacturers*
- British Rubber Manufacturers' Association Ltd.*
- Department of Industry
- Institution of Production Engineers
- Malaysian Rubber Producers' Research Association*
- Ministry of Defence*
- Rubber and Plastics Research Association of Great Britain*
- Rubber Growers' Association*
- Society of Motor Manufacturers and Traders Ltd.*

The organizations marked with an asterisk in the above list, together with the following, were directly represented on the committee entrusted with the preparation of this British Standard:

- British Plastics Federation
- British Railways Board
- Chemical Industries Association
- Department of the Environment
- Electrical Research Association
- Imperial Chemical Industries Ltd.
- Institution of Mechanical Engineers
- Institution of Municipal Engineers
- Institution of Water Engineers and Scientists
- National College of Rubber Technology
- Post Office
- Royal Institute of Chemistry
- Individual expert

This British Standard, having been prepared under the direction of the Rubber Industry Standards Committee, was published under the authority of the Executive Board on 28 May 1976
