Foreword

This British Standard has been prepared by Technical Committee TCI/78, Coated fabrics, which has the responsibility to:

- aid enquirers to understand the text;
- present to the responsible national committee any enquirers on the interpretation, or proposals for change, and keep UK interests informed;
- monitor related national developments and promulgate them in the UK.

A British Standard does not purport to include all the necessary provisions of a contract. Users of British Standards are responsible for their correct application.

Compliance with a British Standard does not of itself confer immunity from legal obligations.
