National foreword

This Section of BS 3456-202 has been prepared under the direction of the Light Electrical Engineering Standards Policy Committee and is the English language version of EN 60335-2-16, “*Safety of household and similar electrical appliances — Part 2: Particular requirements for food waste disposers*”, published by the European Committee for Electrotechnical Standardization (CENELEC). It was derived by that organization from IEC Publication 335-2-16 (1986) third edition, which has the same title as the European Standard.

The CENELEC Common Modifications have been implemented at the appropriate places in the text of IEC Publication 335-2-16 (1986) third edition and are indicated by a side line in the margin. The foreword and preface of IEC Publication 335-2-16 (1986) third edition and the deleted parts of the original IEC text which do not form part of the text of EN 60335-2-16 have been quoted in National appendix NA. Annexes designated “normative” are part of the body of the standard. Annexes designated “informative” are given for information only. National appendices are designated “informative”.

This Section of BS 3456-202 is to be read in conjunction with BS 3456-201:1990 “*General requirements*”, which it supplements or modifies. The many references to Part 1 should be read as references to BS 3456-201, which is the English language version of EN 60335-1 which was derived from the 1983 reprint of IEC Publication 335-1 (1976) second edition including Amendments 1, 2 and 3 to IEC 335-1.

This Section of BS 3456-202 supersedes BS 3456-3.8:1979 which will be withdrawn on 28 February 1991 in accordance with the CENELEC Internal Regulations.

Product approval. Attention is drawn to the fact that products conforming to this British Standard may be approved by the British Electrotechnical Approvals Board for the purposes of participation in the CENELEC Certification Agreement and in the CB Scheme of the IECEE. (Details of the BEAB Approval Marks Scheme are given on the inside back cover.)

A British Standard does not purport to include all the necessary provisions of a contract. Users of British Standards are responsible for their correct application.

Compliance with a British Standard does not of itself confer immunity from legal obligations.
