To denote the actual or potential
presence of Ionizing radiation

Co-operating organizations

The Nuclear Energy Industry Standards Committee, under whose supervision this British Standard was prepared, consists of representatives from the following Government departments and scientific and industrial organizations:

- Association of Consulting Engineers
- British Electrical and Allied Manufacturers Association*
- British Insurance (Atomic Energy) Committee
- British Mechanical Engineering Federation
- Electricity Council, the Central Electricity Generating Board, and the Area Boards in England & Wales*
- Institution of Chemical Engineers
- Institution of Electrical Engineers
- Institution of Mechanical Engineers
- Lloyd's Register of Shipping
- Ministry of Labour (H.M. Factory Inspectorate)
- Ministry of Power*
- Scientific Instrument Manufacturers' Association of Great Britain
- United Kingdom Atomic Energy Authority*

The Government department and scientific and industrial organizations marked with an asterisk in the above list, together with the following, were directly represented on the committees entrusted with the preparation of this British Standard:

- Board of Trade
- British Institute of Radiology
- British Railways Board
- Department of Education and Science
- Fire Brigades' Union
- Ministry of Health
- Ministry of Transport

This British Standard, having been approved by the Nuclear Energy Industry Standards Committee and endorsed by the Chairman of the Engineering Divisional Council, was published under the authority of the General Council on 29 February 1968
