

Specification for

Dental wrought precious metal alloy wire

Co-operating organizations

The Dental Industry Standards Committee, under whose supervision this British Standard was prepared, consists of representatives from the following Government departments and scientific and industrial organizations:

- Admiralty*
- Association of Dental Hospitals of Great Britain and Northern Ireland*
- British Dental Association*
- British Dental Manufacturers Association*
- Dental Education Advisory Council*
- Department of Health for Scotland*
- D.S.I.R. — National Engineering Laboratory*
- Ministry of Health*
- Royal College of Surgeons of England
- Royal Society of Medicine

The Government departments and scientific and industrial organizations marked with an asterisk in the above list, together with the following, were directly represented on the committee entrusted with the preparation of this standard:

- Air Ministry
- British Surgical Trades Association (Inc.)
- Institute of British Surgical Technicians (Dental Section)
- Institute of Dental Surgery
- Iron and Steel Institute
- London Dental Study Club
- War Office

This British Standard, having been approved by the Dental Industry Standards Committee and endorsed by the Chairman of the Chemical Divisional Council, was published under the authority of the General Council on 13 June 1962
