

Recommendations for

Criticality safety in handling and processing fissile materials

Co-operating organizations

The Nuclear Energy Industry Standards Committee, under whose supervision these recommendations were prepared, consists of representatives from the following Government departments and scientific and industrial organizations:

- Association of Consulting Engineers*
- British Electrical and Allied Manufacturers' Association*
- British Insurance (Atomic Energy) Committee*
- British Mechanical Engineering Confederation
- Department of Employment and Productivity (H.M. Factory Inspectorate)*
- Electricity Supply Industry in England and Wales*
- Institution of Chemical Engineers
- Institution of Electrical Engineers
- Institution of Mechanical Engineers
- Lloyd's Register of Shipping*
- Ministry of Power*
- Scientific Instrument Manufacturers' Association of Great Britain
- United Kingdom Atomic Energy Authority*

The Government departments and scientific and industrial organizations marked with an asterisk in the above list, together with the following, were directly represented on the committees entrusted with the preparation of these recommendations:

- Atomic Power Construction Ltd.
- Board of Trade (Marine Division)
- British Chemical Plant Manufacturers' Association
- British Steel Industry
- Ministry of Defence, Navy Department
- Water-tube Boilermakers' Association

These Recommendations, having been approved by the Nuclear Energy Industry Standards Committee, was published under the authority of the Executive Board on 30 January 1970
