

Method for

The determination of arsenic in ingot zinc and zinc alloys (Photometric method) —

Methods for the sampling and analysis
of zinc and zinc alloys

Co-operating organizations

The Non-ferrous Metals Industry Standards Committee, under whose supervision this British Standard was prepared, consists of representatives from the following Government departments and scientific and industrial organizations:

- Aluminium Federation

Association of Bronze and Brass Founders

Association of Consulting Engineers

Board of Trade

British Bronze and Brass Ingot Manufacturers' Association

British Lead Manufacturers' Association

British Non-ferrous Metals Federation*

British Non-ferrous Metals Federations — High Conductivity Copper Group

British Non-ferrous Metals Research Association*

Copper Development Association

Crown Agents for Oversea Governments and Administrations

Electric Cable Makers' Confederation

Institute of British Foundrymen

Institute of Metals*

Institution of Mechanical Engineers (Automobile Division)
- Institution of Mining and Metallurgy

Institution of Production Engineers

Institution of Structural Engineers

Lead Development Association

Light Metal Founders' Association

London Metal Exchange*

Magnesium Industry Council

Ministry of Defence, Army Department*

Ministry of Defence, Navy Department*

National Brassfoundry Association

Non-ferrous Metal Stockists

Post Office*

Royal Institute of British Architects

Society of Motor Manufacturers and Traders Ltd.*

Tin Research Institute

Zinc Development Association*

Individual manufacturers

The Government departments and scientific and industrial organizations marked with an asterisk in the above list, together with the following, were directly represented on the committee entrusted with the preparation of this British Standard:

- British Steel Industry

Institute of Iron and Steel Wire Manufacturers

Institute of Sheet Metal Engineering

Ministry of Technology—Laboratory of the Government Chemist
- Zinc Alloy Die Casters' Association

Individual analysts

This British Standard, having been approved by the Non-ferrous Metals Industry Standards Committee, was published under the authority of the Executive Board on 12 February 1970
