

Specification for

Red and green filters used in ophthalmic dichromatic and dissociation tests

Co-operating organizations

The Ophthalmic Standards Committee, under whose supervision this British Standard was prepared, consists of representatives from the following Government departments and professional and industrial organizations:

- Admiralty
- Association of Dispensing Opticians*
- British Medical Association*
- Faculty of Ophthalmologists*
- Federation of Manufacturing Opticians*
- Guild of British Dispensing Opticians*
- Joint Committee of Ophthalmic Opticians*
- Ministry of Education
- Ministry of Health*
- National Physical Laboratory (D.S.I.R.)

The Government department and professional and industrial organizations marked with an asterisk in the above list, together with the following, were directly represented on the Committee entrusted with the preparation of this standard:

Scottish National Committee of Ophthalmic Opticians

This British Standard, having been approved by the Ophthalmic Standards Committee, was published under the authority of the General Council on 9 October 1963
